Mr. & Mrs. Fred Gosney
Allandale.

Dear old friends,

My daughter Theresa & Son in Law
St. Sey. Geo Webb. R.C.A.F. & their two children came up
yesterday. They attended my services today. My wife
played the organ at both services. We were very
sorry to learn one of your dear sons, (one of my
faithful boys) when Rector of St. George's) had been
reported missing in the present horrible war.

We hope, with you, that you have heard better news.
May the Lord bless & keep him wherever he may be.

I use every day & at all my services, the prayers
on Page 60 & 61. also the prayer on Page 736. for the
absent ones. George went back tonight & I may

be taking Theresa & the kiddies to Webb's by car. If I
do I will call & see you both & Miss Leonard.

I feel that if all Christians met with one accord
as the first Christians did, & prayed & praised God
fervently, that He would give peace & Victory to
our cause. Do not give up hope of your boy
but if ^{it} has to be, be assured that his soul is
in the hand of God & no torment can touch him.

Our kindest remembrance of Aunt Mary Syné

& Best wishes always, Yours as of yore
