

ROYAL CANADIAN AIR FORCE  
CHAPLAIN SERVICES

November 21st, 1944.

Mr. & Mrs. F.R. Gosney,  
96 Burton Ave.,  
ALLANDALE, Ont.

Dear Mr. & Mrs. Gosney:

By the time you get this letter you will have received the sad news that your son, Pilot Officer Leonard D. Gosney, has been reported presumed dead, and may I extend to you my deepest sympathy at this time.

In my tours of duty I visit many squadrons. In all of them I see gallant young Canadians who are doing such an excellent job, often under great difficulties. Their cheerfulness and uncomplaining spirit are a great inspiration to me.

Words are inadequate at a time like this to express what one feels, but of one thing we may be sure, that he, with many others, is safe in the keeping of Him, to Whom the principles and ideals for which they fought are so precious.

ROYAL CANADIAN AIR FORCE  
November 21st, 1944  
May God our Heavenly Father give you strength to endure through this trying time.

Sincerely yours,

*Chas. Murray*
