Dear Mrs. Gosney,

I am writing to tell you that we recently had the pleasure of a visit from your Son who is in good health and spirits. Members of the Club were very pleased to have the opportunity of meeting him and extending a warm welcome to him, and we sincerely hope he will be free to pay us another visit in the very near future.

It is a real privilege for us in the Old Country to meet our kinsmen from overseas and we are all deeply appreciative of the sacrifices they are making in the common cause.

I send you my best greetings with the earnest hope that victory may soon be ours so that your dear one may return speedily and safely to you.

Yours Sincerely,

E. A. Braddock

Lord Mayor.
President.
